

#4116JK Jeep Wrangler 2007-2013 Cooler Kit With Barbed Fittings

#4116JK Jeep Wrangler 2007-2013 Cooler Kit With 6AN Fittings

Fits MOST Jeep Wranglers, 2007-2013

(Note: Vehicle models may vary; review the instructions and components for compatibility with your vehicle prior to installation.)

1

Assemble Cooler Kit

1. Place GatorClips® around copper tubes of cooler.
2. Put washer and bolt through GatorClips®
3. Turn assembled parts over on work surface. With cooler inlets facing toward the left, position flat bracket at top and bottom bracket with mounting feet facing down.
4. Place c-channel over bolts. Tighten nuts onto bolts, making sure c-channel is parallel with cooler edges.

The Flex-a-lite Limited Warranty

Flex-a-lite Consolidated, 7213-45th St. Ct. E. Fife, WA 98424, Telephone No. 253-922-2700, warrants to the original purchasing user, that all Flex-a-lite products to be free of defects in material and workmanship for a period of 365 days (1 year) from date of purchase. Flex-a-lite products failing within 365 days (1 year) from date of purchase may be returned to the factory through the point of purchase, transportation charges prepaid. If, on inspection, cause of failure is determined to be defective material or workmanship and not by misuse, accidental or improper installation, Flex-a-lite will replace the fan free of charge, transportation prepaid. Flex-a-lite will not be liable for incidental, progressive or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may have other rights, which vary from state to state. The Flex-a-lite warranty is in compliance with the Magnuson-Moss Warranty Act of 1975.
