**PLEASE READ BEFORE STARTING INSTALLATION**

While MBRP Inc. has made every effort to ensure that this component is of superior quality and securely packaged, it is the installers responsibility to ensure the following before starting:

- that the component is undamaged.
- That the component is appropriate for the year, make and model of vehicle it is to be installed to;
- that you have read and understand these instructions.

If you have any questions or are uncertain about any aspect of the installation of this component on your vehicle please contact your dealer before commencing installation.

## 1997-2012 Jeep Light Bar Bracket

**NOTE:**

This kit requires the installation of *Off Camber Fabrications* Light Bar# 130716 or # 131086 prior to installation of this **Light Bar Bracket # 132570**.

1. The **Light Bar Bracket** bolts onto the tabs of the Light Bar to allow various lights to be attached to the Light Bar using 3/8" hardware provided. See **Figure 1**

2. Bolt on the desired light to the **Light Bar**. Multiple slots are available in order to accommodate different light sizes. See **Figure 1 & 2**.

**Figure 1**
