

# Installation Instructions

Pet divider for Jeep JK 2007-up  
DD-P-JK4-07

-Thank you for purchasing a Dirtydog 4x4 netting system. Please read these instructions fully to familiarize yourself with the installation. Set aside 15 minutes for the first time you install your pet divider.

First step is to install the velcro wraps around the top roll bar.

Look at the photos to see how it is positioned along the roll bar. The outermost straps on either end wraps around the roll bar on the opposite side of the roll bar.

The two shock cords at the back hook on to the loops behind the seats.

The shock cord hooks at the side hook on the underside of the fender lip.

Adjust and tighten straps as needed to even out the net so it is positioned properly. Your pet divider comes with a one year warranty against manufacturing defects. Cuts, abrasions, sun faded items are not covered under the warranty.
