Step 4: After all screws are installed now attach pouches to cover. After determining the best location for the pouch, slide the pouch straps through the webbing in the cover. (Fig E) Now fold the strap back up and place it through the webbing on the back of the pouch. (Fig F) Then slide the pouch strap through the next row of webbing on the cover. (Fig G) Depending on the size of the pouch and length of strap you may go through 2, 3 or more rows of webbing on the cover. Finally secure by fastening snaps together. Installation is now complete.
