

tread lightly!®

ON LAND AND WATER

Thank You!

For your sponsorship of Tread Lightly!

Your \$5.00 contribution (contained in the cost of these ultimate floor liners) will go a long way to helping Tread Lightly! preserve open space.

Tread Lightly! provides outdoor ethics for all types of outdoor recreation - everything from hiking to hunting to camping, with a special focus on motorized & mechanized recreation - like four wheeling, motorcycling, snowmobiling, and boating. The organization's goal is to balance the needs of people who enjoy outdoor recreation with our need to maintain a healthy environment. Tread Lightly! is leading the way to help remedy current recreation issues.

With your purchase of this item, you are now supporting these worthy goals!

THANK YOU!

Your new tread lightly! Ultimate Floor Liners are designed by Jeep® experts to be the most satisfying interior floor liners you have ever used! If you don't agree, we want to know right away...

Contents:

- (2) Front Floor Liners *or*
- (2) Front and (2) Rear Floor Liners

Tools Required:

- Utility Knife

CAUTION:

To Avoid interference with pedal operation: DO NOT install liner on top of existing mats. If your vehicle is equipped with retention hooks make sure the liner is secured to them.

Some vehicles feature factory floor mat hooks, while other vehicles do not. Ultimate Floor Liners are compatible with factory floor mat hooks if vehicle is so equipped. Front liners have a pre-marked locations for mat hooks. Carefully cut liners at marked locations for retention hooks as needed. If no factory retention hooks are present, no modification is required.

CAUTION:

Use extreme caution when using a utility knife!
