MODEL # JK-CBMU [2007 & up passenger side]
Jeep JK Wrangler Quick Disconnect Universal CB Mount
for Uniden BC BEARCAT 680 & 880
[PLUS Many Other Mid to Larger Sized Radio's]

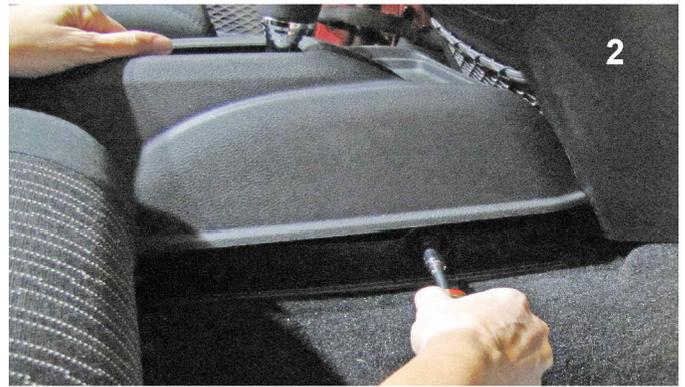

INSTALLATION INSTRUCTIONS

*** The installation shown below is for a 2011 & Up. For 2007 to 2010 the installation process is the same except the console doesn't have the extra cosmetic cover that is shown in picture #1.

1. Carefully unsnap the plastic console cover as shown in picture #1.
2. Remove the console mounting bolt using a T27 torques as shown in picture #2.
3. Slide the heavy gauge Mounting Frame behind the inner console frame and align the slot with the bolt hole as shown in picture #3.
4. Reinstall the console mounting bolt as shown in picture #4. Snap the plastic console cover back down. (Only on 2011 & Up)
5. Mount your CB to the Quick Disconnect Bracket using the screws supplied as shown in picture #5.
6. Slide the Bracket under the special wing nuts on the Mounting Frame as shown in picture #6.
7. Finished install is shown in picture #7.

Special Note: For 2 door Wrangler use, the Quick Disconnect CB Bracket is designed to lay on the floor when you need to slide the passenger seat forward to access the back seat.
