Actual design may vary from photos. Install remains the same.

Door surrounds are designed to fit all year JK Wranglers 07-18. 07-09 Wranglers use a top that clips into the door surrounds. Your door surrounds are shipped ready to install for clip in style tops. 2010+ use a door surround with a ledge. If you are using a cable style top you will need to install the snap in ledges into the door surrounds. Simply insert ledge into door surround and push into door surround till it snaps into place. Fig A. Due to manufacturing variances, the ledge is wavy, push up on low spots and use self-drilling screws to secure the ledge from the inside of the door surround. Fig B.

4 door install

Step 1: Assemble the rear door surrounds by sliding the vertical piece into the horizontal piece. Do not force parts together. Secure the two pieces by installing sheet metal screw into the screw hole shown in figure 1. Do not over tighten screw.

Step 2: Install rear door surround by locating hole in body tub behind door. Insert tab on door surround into hole and then push the door surround onto the roll bar so that the "C" goes around roll bar. Make sure front of door surround sits evenly into the seal on the jeep in the front. Take care to not damage or crease the seal or pinch the roll bar cover. Door surround should sit flush with the mocket seal. Fig 2. Loosely install the long knob to hold door surround onto roll bar.

Step 3: Carefully set the front of the front door surround into the windshield seal. Then Clip the door surround onto the roll bar. Observe seal placement when attaching rear of the front door surround. It should fit inside the seal, take care to not damage or crease the b-pillar seal. Fig 3. The rear of the front door surround will sit on top of the front of the rear door surround. Ensure foam seal is making contact between both door surrounds and is in the correct position to avoid water leaks. Fig 3+4.

Foam seal between front and rear door surround

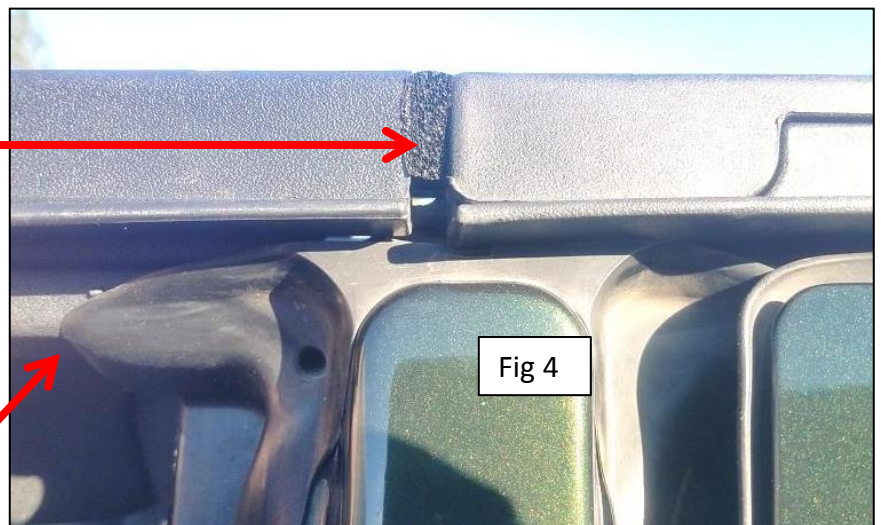

Step 4: Install the long and short knobs to secure the front door surround. Start with the long knob in front, then install the short knob thru the front door surround then thru rear door surround and thread it into the hole in the b-pillar. Tighten short knob first, then tighten the long knobs.

Step 5: Repeat install for opposite side of vehicle.

Step 6: Double check all OEM seals are smoothly seating around the door surrounds Fig 4

Foam seal making good contact between front and rear door surround.

Door surround tight against B-pillar seal.

To attach sunrider bow to door surrounds.

Press up on latch lever. Pull bow assembly forward over the hook then place bow cradle onto slot on door surround. Pull bow assembly towards the rear so that the peg is under the hook and then release latch lever. Reverse to remove bow assembly.

NOTE: some vehicles may have a peg that has a plastic molding under it, it has been noted that this molding will vary in size. This may interfere with the latch lever. In this case, the plastic molding needs to be filed down.

Plastic molding that may need to be trimmed.

Limited Warranties

Smittybilt's products are covered under the following limited warranties only. Note that the duration of the limited warranty differs according to the material and finish of the product purchased. Subject to the duration and conditions of the limited warranty stated below, Smittybilt warrants to the original retail purchaser that its products are free from defects in material and workmanship. All other warranties and representations express or implied, are hereby disclaimed, including fitness for merchantability and buyer's intended use or purpose. All parts are sold "AS IS" except for the limited warranties granted herein. Buyer assumes all risks as to the selection, suitability and performance of all goods and products selected. This limited warranty does not cover damage or impairment in any part due to misuse, improper installation, accident or contact with on-road or off-road hazards, product modification, improper or inadequate cleaning and/or maintenance. Smittybilt is not responsible for items damaged during shipping. This warranty is not transferable from the original buyer. For the original Buyer to be eligible for the limited warranty coverage, the Buyer must provide proof of purchase. Smittybilt strongly recommends returning the warranty registration card.

Customer's remedy hereunder shall be limited only to repair or replacement (at Smittybilt's option) of any defective part(s) returned to Smittybilt at customer's expense. The determination of whether or not a returned part is defective or subject to coverage under the limited warranties stated herein shall be made at Smittybilt's sole discretion.

To assure product quality, Smittybilt reserves the right to change product design, material, specification and finishes without prior notice to customers. This limited warranty gives you specific legal rights and you may also have other rights, which may vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply as to you. Also, some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. Smittybilt reserves the right to discontinue product lines and substitute products, or provide other remedies than those listed in this limited warranty for those discontinued products.

Warning

Rollover and other types of vehicle accidents may result in serious injury or death to you, your passengers and others sharing the road. Smittybilt accessories are decorative and are not intended to reduce or avoid injury or damage in the event of an accident. The weight and location of Smittybilt accessories may affect your vehicles' handling, stability and performance, creating an increased risk of accident or rollover. Before installing any accessory, check state laws and assure that the accessory will not obscure any lights or interfere with proper operation on your vehicle's safety equipment. Consult your owner's manual and the Smittybilt instructions, or additional safety information. Smittybilt products, nor the warnings contained herein, are not a substitute for your safe driving. Don't drink and drive, always use seat belts and don't drive faster than conditions permit.
