Introduction

Thank you for purchasing your EchoMaster automotive Full-View HD mirror kit.

EchoMaster Full-View HD mirror kits are designed to improve safety during driving by providing high quality images of surrounding areas and obstacles in the vicinity of the vehicle while removing all obstructions that may be in the vehicle. They will also improve vehicle maneuvering capability by displaying blind spots not normally visible to the driver.

Please ensure you read and understand all aspects of this manual, along with the vehicle specific installation instructions, before fitting or using your EchoMaster Full-View HD mirror kit.
