Quarter Panel Guard (Driver/Passenger)

QTY

1ea

1) PREPARE YOUR VEHICLE

With vehicle paint safe cleaners and cloths, clean your vehicle's quarter panel areas free of dirt and debris to help with the installation.

Repeat on the opposite side.

2) REMOVE TAPE BACKING

Ensure there is a clear place for the part and peel the red backings of the adhesive strips.

4) ENJOY YOUR NEW FISHBONE QUARTER PANEL GUARDS!!

3) INSTALL

Slide the guard over the panel and press firmly against the adhesive face, ensuring it's secure.
