

Hobbs Add-on Accessories – Tie-Down Hook

Part#: 1001-ADTDM01

ICD Design, LLC is not responsible for any damage that may occur during installation.

This is a general assembly manual and may vary by vehicle and applications. Please consult our technical department for more information and assistance.

This tie down hook will fit all HOBBS Freedom Series Bed Racks.

It is also designed for universal application for other bed racks and roof racks. Some modification and drilling may be required

PARTS LIST:

ASSEMBLY

- The Tie Down Hook can be mounted to any of the holes and slots on the bed rack. No Drill Installation.
- It can also be mounted to any part of the bed rack. Drilling may be required.

Please check the mounting bolts on a regular basis, especially if you are going off the urban path. On a regular basis and especially if you do a lot of off-roading, inspect and tighten any loose bolts.
