

FAIRLEAD FLAG MOUNT INSTALLATION INSTRUCTIONS

TOOLS NEEDED

- 5/16" Allen Wrench

OPTIONAL TOOLS

HARDWARE

**Please read the mounting instructions below
carefully before attempting to install.**

Thank you for purchasing your Fairlead Flag Mount from JcR Offroad! Checkout our website, www.jcroffroad.com for other great off-road products. Be sure to rate and review our product online. If you have any questions or are missing parts, please don't hesitate to call us at 269-353-1184!

1 First remove the hardware from the fairlead using a 5/16" allen wrench.

2 If you have a winch, you will want to disengage it to pull the fairlead out a little bit.

- 3** Place the fairlead in between the fairlead and the bumper. Face it which ever direction will allow the flag to clear your hoop (if you have one). Then reinstall the fairlead hardware and tighten.

- 4** Engage your winch and install your flag!

- 5** Go enjoy the offroad park!
