

# 12 Volt LED Automotive Christmas Wreath

*Installation & Use Guide: 12VWREATH*

## **KIT CONTENTS LIST:**

Led Wreath	Qty1
16' Power Cord	Qty1
Suction Cups	Qty2
Short Cable Ties	Qty2
Long Cable Ties	Qty2

**The Automotive Christmas wreath is intended for use with any 12v automotive cigarette lighter outlet. The wreath is suitable for interior or exterior mounting.**

Use the longer Cable ties to secure the wreath in place. The shorter cable ties and suction cups should be used to secure the power cord when mounting on the exterior of the vehicle. Make sure all wires are properly secured. Keep wires away from moving parts and hot components like exhaust systems.

The power cord has a quick disconnect at the end closest to the wreath. This allows you to disconnect the power cord from the wreath in order to route the wire.

Only use the wreath while the vehicle is running. Unplug the cord from the cigarette lighter when not in use to avoid draining the battery.
